

**Amendment to the Specification:**

Amend Lines 11 through 35 of the specification as follows:

Infrared spectrum showed the disappearance of the band at 2265.9cm due to the N=C=O group.

1) ONC-R-NCO

(Ph.P free base)

2) HCl in 1,4-dioxane

(Where R represents the poly(neopentyl glycol adipate) isophorone moiety)
